Total Before Tax	12,312.00 USD
Regional Discount	-1,846.80 USD
Total	10,465.20 USD

The configuration and supporting pricing details below are for Budgetary Quote purposes only.

This is not a binding document, and is intended to give you a detailed configuration and a rough pricing estimation.

Variations in final pricing include the following:

- Currency fluctuations if you pay in a currency other than US dollars
- Business Terms different from Agilent's Standard (acceptance, warranty, payment,...)
- Configuration changes
- Pricing changes

Omissions in the attached rough price include, but are not limited to applicable taxes and discounts, should any apply.

If this Budgetary Quote presents an agreeable solution, a Formal Quotation with final pricing will be prepared.
